50 mm x 100 mm	2.0mm, 2.5mm, 3mm, 4mm, 5mm
100 mm x 100 mm	2.0mm, 2.5mm, 3mm, 4mm, 5mm

Welcome
Quality Wire Products

Quality Wire Products Co. W.L.L is an ISO 9001:2008 Certified Company, established in the year 1999 in Bahrain, strategically located in Middle East to manufacture wire mesh and related products. We introduce our self as the single largest source for all kind of Wire mesh products in the Middle East.

Our wire mesh is made with precise mesh opening and with specific controls in our welding process we ensure the best quality welding. Each lots are identified with batch and lot numbers and These panels are checked for chemical composition of the raw material; mesh opening and wire diameter tolerances and welding and shearing strength before it is delivered to our customer. This helps us to deliver the wire mesh panels exactly as per customer requirements.

Coating - Welded wire mesh in steel is either hot dip galvanized or powder coated according to the requirements of the customers. Pre-galvanized wires are used to make the hot dip galvanized welded wire mesh and in some cases the mesh is made in mild steel and then hot dip galvanized according to the requirements of the customers.

Applications - Security Guards Pallets/Bins, Screens/Grilles, Suspended Ceilings, Machine Guards, Fenceing/Gate, Lockers, Balustrading, Catwalk Guard, Safty Barriers, Racking/Selving, Containers, Stairway Guards & Screened Partitions

Our Advantages - High Strength / Flush edge finish / Solid construction / easy cutting / Versatile / All intersections welded / Wires hold together / Cutouts made easily

Our Branches : Qatar · Sharjah · Abu Dhabi · Oman · Kuwait · Saudi

We offer the best products at highly competitive price
